

**Indiana Interchurch Center Corporation
Board of Directors**

RESOLUTION

The Board of Directors of the Indiana Interchurch Center is strongly opposed to the plan of the Department of Veterans Affairs and Crown Hill Cemetery for a cemetery expansion which would destroy 15 acres of pre-settlement, old growth forest ecosystem. We urge the Veterans Administration to re-publish the public notice and to re-open the process of official public comment and hearing and careful consideration of potential alternatives.

The undersigned hereby certifies that she is the duly appointed and qualified Executive Director of Indiana Interchurch Center, a corporation duly formed pursuant to the laws of the state of Indiana, and that the foregoing is a true record of a resolution duly adopted at a meeting of its Board of Directors and that said meeting was held in accordance with state law and the Bylaws of the above-named Corporation on October 27, 2016, and that said resolution is now in full force and effect without modification or rescission.

IN WITNESS WHEREOF, I have executed my name as Executive Director of the above-named Corporation this 27th of October 2016.
